The man who was laughing...

I'm laughing because you're all laughing!

The man who was climbing...

I'm climbing the ladder because you're all climbing!

The man who was running...

I'm running because you're all running!

The man who was talking...

I'm talking because you're all talking!

But you're not talking!

The man who was talking...

I'm talking because you're all talking!

The man who was talking...

I'm talking because you're all talking!

The man who was talking...

I'm talking because you're all talking!

But you're not talking!

Are you sure you're not just a little bit nervous about the whole thing?

Yes, I'm a little nervous, but I'll be fine!

Remember, you're a champion!

You're a champion! You're a champion!

What if you're not a champion?

What if you're not a champion? What if you're not a champion?

Yes, but you can be a champion! You can be a champion!

What if you're not a champion?

Yes, but you can be a champion! You can be a champion!

Remember, you're a champion!

Remember, you're a champion!

Remember, you're a champion!

Remember, you're a champion!

Remember, you're a champion!

Remember, you're a champion!

Remember, you're a champion!

Remember, you're a champion!

Remember, you're a champion!

It's a trap!
 The trap is set!
 The trap is set!
 The trap is set!

What's going on?

Don't worry, the trap is set!
 The trap is set!

What's going on?

What's going on?

The trap is set!
 The trap is set!
 The trap is set!

What's going on?

What's going on?

What's going on?

What's going on?

What's going on?

What's going on?

What's going on?

What's going on?

What's going on?

What's going on?

What's going on?

What's going on?

What's going on?

What's going on?

There are millions of them, scattered all over the world.

Should I tell you what I'm doing? I'm on the phone.

What are you doing? Are you a doctor? I'm on the phone. I'm on the phone.

It's not about the money, it's about the power.

It's not about the money, it's about the power.

It's not about the money, it's about the power.

It's not about the money, it's about the power.

It's not about the money, it's about the power.

It's not about the money, it's about the power.

It's not about the money, it's about the power.

It's not about the money, it's about the power.

It's not about the money, it's about the power.

It's not about the money, it's about the power.

It's not about the money, it's about the power.

But, suddenly, he was pulled up the stairs and vanished!

"There was once a big house in a suburb!"

"See here!"

But the man disappeared in mysterious fashion! How did he get there?

"See here!"

There, on the stairs, a woman pulled a man up the stairs!

"See here!"

"There was once a big house in a suburb!"

"There, on the stairs, a woman pulled a man up the stairs!"

"See here!"

"See here!"

There was once a big house in a suburb!

"There was once a big house in a suburb!"
